

**UNDERGRADUATE AND PROFESSIONAL MAJOR CHANGE BULLETIN NO. 10
ADDENDUM NO. 2
Spring 2013**

Faculty Senate Approved April 11, 2013

---REQUIREMENTS---

The requirements listed below reflect the undergraduate major curricular changes approved by the Catalog Subcommittee since approval of the last Undergraduate Major Change Bulletin. All changes are underlined. Deletions are crossed out. The column to the far right indicates the date each change becomes effective.

| Dept | Proposed | Effective Date |
|-------------------------|--|----------------|
| Design and Construction | <p>Interior Design(123 <u>120</u> Hours)</p> <p>The interior design program offers a balanced exposure to art, architecture, and humanities. All studio projects are informed by relevant theoretical frameworks in order to advance design solutions. Upper division coursework is taught at WSU Spokane, where students are exposed to interdisciplinary experiences. Students are required to complete one of three options during the fall of the senior <u>fourth</u> year: internship, study abroad, or community studio. Third-year students will be required to participate in an off-campus study tour during the fall semester</p> <p>Students are required to earn a C or better in all <u>courses required</u> interior design courses required for the degree of Bachelor of Arts in Interior Design. All students must present a senior <u>their portfolio of creative work at an off-campus review</u> to graduate.</p> <p>Certification Requirements</p> <p>Students wishing to certify into the Bachelor of Arts in Interior Design program must complete a minimum of 45 semester hours. Of those 45 semester hours, 29 semester hours (26 for transfer students) are major specific courses (ID 101, 102, 197, 201, 202, 203, 205, 215, 297, or transfer equivalents as approved by the department) in which the student must receive a C or better. Upon completion of ID 203, students' GPAs are used to determine certification into the major in Interior Design. <u>apply for certification during the spring semester of their first year in the program.</u> <u>Certification requirements include completion of a minimum of 24 semester hours and earning a C or better grade in the following required courses: SDC 100, SDC 120, and SDC 140. Additional required courses are HISTORY 105, MATH 105 (or higher), ENGLISH 101, COM 102, and one fine arts class (FINE ART 101, 201, or 202). Transfer equivalents may be approved by the program. While students must have a minimum cumulative WSU gpa of 2.5 to apply for certification, the process is competitive due to limited space in upper division courses.</u> The student's <u>Students'</u> overall WSU gpa and major specific gpa from the courses listed above are considered. While students must have a minimum of a 2.5 GPA to apply for certification, the process is competitive due to limited space in upper division courses.</p> | 8-13 |

~~The program caps acceptance at 30 students.~~
Students wishing to transfer from another institution into the second, third, or fourth year of interior design must submit a portfolio and academic transcripts for consideration. Contact the interior design program for portfolio requirements.

All students admitted into the second year will be required to purchase laptop computers. Details and specifications can be found on the school website: <http://sdc.wsu.edu>.

First Year

| <i>First Term</i> | <i>Hours</i> |
|---|-------------------|
| Creative & Professional Arts [ARTS] | 3 |

Footnotes

⁴ ~~MATH 105 is suggested.~~

¹² SOC 101 or PSYCH 105 is suggested.

² See advisor for list of approved courses.

| | | |
|---------------------------------------|--|--------------------|
| | <p>³ For a total of 7 units—one Biological Science [BSCI] and one Physical Science [PSCI] course, including one lab course, or 8 units of SCIENCE 101 [SCI] and 102 [SCI].</p> <p>⁴ HD 205 (4 credits) is suggested.</p> <p>⁵ Apply for certification after completion of this course.</p> <p>⁶ FINE ART 201 is suggested.</p> <p>³⁷ Supportive electives as listed or approved by faculty advisor; transfer interior design hours as approved by the department: FINE ART 201, 202, (if not used as a certification course); ARCH 220, 409, 492; SOC 343, 350, 351; I D 277, 278, 279, 305, 460, 477, 490 (if not used to fulfill a requirement in program of study), 498, 499; upper division ARCH, LND ARCH, and CST M.</p> | |
| <p>Design and Construction</p> | <p>Landscape Architecture(120 Hours)</p> <p>The professional course of study is divided into two segments. These are pre-landscape architecture and the second <u>third-fourth</u> year professional landscape architecture program (BLA). Completion of the program leads to the degree of Bachelor of Landscape Architecture and allows the graduate to enter the profession. At least three additional years of professional experience and successful completion of the landscape architectural license examination are necessary for registration as a licensed landscape architect in most states.</p> <p>Pre-landscape architecture (pre-LA) is a one <u>two</u>-year, non-degree course of study that is intended to prepare undergraduate students for the advanced professional curriculum in the upper division. The pre-LA curriculum concentrates on General Education Requirements (GERs) <u>University Common Requirements (UCORE)</u> and basic professional courses. General Education Requirement (GER) <u>UCORE</u> courses should be selected with the assistance of a landscape architecture advisor. The completion of pre-LA prepares the student to make application to the professional major in landscape architecture or entry-level technical positions in various landscape industries. Transfer students who have not completed the equivalent of the pre-LA course work will be accepted directly into pre-LA.</p> <p>To be admitted to the major of landscape architecture, the <u>a</u> student should have completed <u>at least 24 semester hours and the pre-LA curriculum, and submitted an application.</u> <u>Students must submit a certification application in the spring semester of their first year.</u> Application forms and instructions are available from the Admissions Office and the Department of Horticulture and Landscape Architecture Office. <u>in the School of Design and Construction main office and on the web site: http://sdc.wsu.edu.</u> Applications to the professional program must be submitted prior to April 1. Due to limitations of space, faculty, and budget, admission can be granted to only the most qualified students based on experience, demonstrated abilities, motivation, and academic performance. The following <u>three</u> courses (or approved equivalents) must be completed with a grade of C or better for students to be admitted into the professional program: <u>Biol 120, Hort 231, 232, L A 101, 102, 260, 262, 263, 365, SDC 100, SDC 120, and SDC 140.</u> <u>Additional courses required for certification are HISTORY 105, ENGLISH 101, MATH 105 (or higher), COM 102, and one Fine Arts course (FINE ART 101, 201 or 202).</u> <u>A minimum 2.5 WSU cumulative GPA is required for certification.</u></p> <p>Transfer students who have completed the equivalent of the pre-LA curriculum may apply to the professional program.</p> | <p>8-13</p> |

All students admitted into the second year will be required to purchase a laptop computer. Deails and specifications can be found on the school website: <http://sdc.wsu.edu>.
