MAJOR CHANGE FORM – NEW REQUIREMENTS

Major Curriculum Change requests are broken out into 4 separate forms, each with its own link. Please make sure the appropriate link has been chosen.

- **New or Restore Course form:** [https://curriculumchange.registrar.wsu.edu/forms-and-instructions/new-restore-course/](https://curriculumchange.registrar.wsu.edu/forms-and-instructions/new-restore-course/)
- **Major Course Revision form:** [https://curriculumchange.registrar.wsu.edu/forms-and-instructions/course-revision/](https://curriculumchange.registrar.wsu.edu/forms-and-instructions/course-revision/)

**Important Notes:**

This form is for new curriculum requirements: plans, sub-plans, minors, and certificates.

**NOTE:** If proposing a new program (degree) or extending, moving, consolidating, eliminating or renaming an existing program (degree), these proposals must first go through the Provost’s Office review process. Please do not use this form. Please contact the Provost’s Office for directions on processing program (degree) proposals.

Definitions, policies, and additional procedures

- Can be found in the *Educational Policies and Procedures Manual* at [http://facsen.wsu.edu/eppm/](http://facsen.wsu.edu/eppm/).

Please remember: Persons not acquainted with your particular curriculum will be evaluating the request and clarity will ensure faster action.

“Save Form” button at bottom of form: Work in progress can be saved without submitting, with the following considerations:

- For each form link: Once saved, another request for the same link cannot be started until the current request has been completed and submitted. When opening the link after saving, information in progress will appear on the form for current un-submitted request.
- A separate form link for another curriculum change category (see first paragraph) can be opened and worked on while saving work in progress on another form link.

**Step by Step Procedure for All Requests:**

   b) An automatic email will also be sent to the submitter listing the summary of the request made.

8) **Once email approvals are received** from chair(s) and dean(s) offices, assuming there are no errors in the submissions, the curriculum change request will be assigned a Catalog Subcommittee (CSC) number and put on the CSC agenda to begin the review and approval process.
