

**PROFESSIONAL HEALTH SCIENCES MAJOR CHANGE BULLETIN NO. 3
Fall 2020**

---COURSES ONLY---

Faculty Senate approved February 6, 2020

The courses listed below reflect major curricular changes for the professional health sciences and have been approved by the Catalog Subcommittee and the Professional Health Sciences Committee. The course information under the heading titled *Current* will show strikethroughs for deletions, and the heading titled *Proposed* will show underlines for additions. The column to the far right indicates the date each change becomes effective.

Subject	Course Number	New Revise Drop	Current	Proposed	Effective Date
MED CLIN	560	New	--N/A--	Advanced Family Medicine: Ambulatory V 2-4 Course Prerequisite: MED CLIN 524. Extension of knowledge, skills, and professional attitudes required to address the range of problems that practitioners of family medicine encounter in the ambulatory setting. H, S, F grading.	1-20
MED CLIN	561	New	--N/A--	Advanced Internal Medicine: Ambulatory V 2-4 Course Prerequisite: MED CLIN 524. Extension of knowledge, skills, and professional attitudes required to address the range of problems that practitioners of internal medicine encounter in the ambulatory setting. H, S, F grading.	1-20
MED CLIN	562	New	--N/A--	Advanced Obstetrics and Gynecology: Ambulatory V 2-4 Course Prerequisite: MED CLIN 524. Extension of knowledge, skills, and professional attitudes required for the practice of gynecology in the ambulatory setting. H, S, F grading.	1-20
MED CLIN	563	New	--N/A--	Advanced Pediatrics: Ambulatory V 2-4 Course Prerequisite: MED CLIN 524. Extension of knowledge, skills, and professional attitudes required to address the range of problems that practitioners of pediatrics encounter in the ambulatory setting. H, S, F grading.	1-20
MED CLIN	564	New	--N/A--	General Psychiatry V 2-4 Course Prerequisite: MED CLIN 524. Extension of knowledge, skills, and professional attitudes required to address the range of problems that practitioners of psychiatry encounter in general psychiatric settings. H, S, F grading.	1-20

MED CLIN	565	New	--N/A--	Advanced Surgery: Ambulatory V 2-4 Course Prerequisite: MED CLIN 524. Extension of knowledge, skills, and professional attitudes required for the practice of surgery in the ambulatory setting. H, S, F grading.	1-20
MED CLIN	566	New	--N/A--	Advanced Internal Medicine: Inpatient V 2-4 Course Prerequisite: MED CLIN 524. Extension of knowledge, skills, and professional attitudes required to address the range of problems that practitioners of adult hospital medicine encounter. H, S, F grading.	1-20
MED CLIN	567	New	--N/A--	Advanced Obstetrics and Gynecology: Inpatient V 2-4 Course Prerequisite: MED CLIN 524. Extension of knowledge, skills, and professional attitudes required for the practice of gynecology with a focus on inpatient gynecology. H, S, F grading.	1-20
MED CLIN	568	New	--N/A--	Advanced Pediatrics: Inpatient V 2-4 Course Prerequisite: MED CLIN 524. Extension of knowledge, skills, and professional attitudes required to address the range of problems that practitioners of pediatric hospital medicine encounter. H, S, F grading.	1-20
MED CLIN	569	New	--N/A--	Advanced Surgery: Inpatient V 2-4 Course Prerequisite: MED CLIN 524. Extension of knowledge, skills, and professional attitudes required for the practice of surgery in the hospital setting. H, S, F grading.	1-20
MED CLIN	570	New	--N/A--	Domestic Rotation V 2-4 May be repeated for credit; cumulative maximum 16 hours. Course Prerequisite: MED CLIN 524 or by permission of the Associate Dean of Curriculum. Extension of knowledge, skills, and professional attitudes required for the practice of a specialty or subspecialty in medicine or surgery or a career pathway not available through ESFCOM. H, S, F grading.	1-20
MED CLIN	571	New	--N/A--	International Rotation V 2-4 May be repeated for credit; cumulative maximum 8 hours. Course Prerequisite: MED CLIN 524 or by permission of the Associate Dean of Curriculum. Extension of knowledge, skills, and professional attitudes required for the delivery of health care in international settings. H, S, F grading.	1-20
MED CLIN	572	New	--N/A--	Addiction Medicine V 2-4 Course Prerequisite: MED CLIN 524. Extension of knowledge, skills, and professional attitudes required to	1-20

				address the range of problems that practitioners in the area of addiction medicine encounter. H, S, F grading.	
MED CLIN	573	New	--N/A--	Anesthesia V 2-4 Course Prerequisite: MED CLIN 524. Extension of knowledge, skills, and professional attitudes required for the practice of anesthesia in both inpatient and outpatient settings. H, S, F grading.	1-20
MED CLIN	574	New	--N/A--	Clinical Bioethics V 2-4 Course Prerequisite: MED CLIN 524 or by permission of the Associate Dean of Curriculum. Introduction to the knowledge, skills, and range of problems that clinical bioethics committees encounter in clinical settings. H, S, F grading.	1-20
MED CLIN	575	New	--N/A--	Geriatrics V 2-4 Course Prerequisite: MED CLIN 524. Extension of knowledge, skills, and professional attitudes required for the practice of geriatrics. H, S, F grading.	1-20
MED CLIN	576	New	--N/A--	Medicine Subspecialties V 2-4 May be repeated for credit; cumulative maximum 12 hours. Course Prerequisite: MED CLIN 524. Deep exposure to internal medicine subspecialty disciplines and to the care of patients with more complicated, challenging, or rare conditions not routinely managed in primary care practice. H, S, F grading.	1-20
MED CLIN	577	New	--N/A--	Surgery Subspecialties V 2-4 May be repeated for credit; cumulative maximum 12 hours. Course Prerequisite: MED CLIN 524. Extension of knowledge, skills, and professional attitudes required for the practice of medicine with a focus on disorders commonly encountered by specialists in surgery. H, S, F grading.	1-20
MED CLIN	578	New	--N/A--	Advanced General Surgery V 2-4 Course Prerequisite: MED CLIN 524. Extension of knowledge, skills, and professional attitudes required for the practice of medicine with a focus on disorders commonly encountered by a general, thoracic, vascular, trauma, or acute care surgeon. H, S, F grading.	1-20
MED CLIN	579	New	--N/A--	Medical Informatics V 2-4 Course Prerequisite: MED CLIN 524 or by permission of the Associate Dean of Curriculum. Extension of knowledge, skills, and professional attitudes required for the application of medical informatics principles to the practice of medicine. H, S, F grading.	1-20

MED CLIN	580	New	--N/A--	Neurology V 2-4 Course Prerequisite: MED CLIN 524. Extension of knowledge, skills, and professional attitudes required to address the range of problems that practitioners encounter in neurology. H, S, F grading.	1-20
MED CLIN	581	New	--N/A--	Obstetrics and Gynecology Subspecialties V 2-4 May be repeated for credit; cumulative maximum 12 hours. Course Prerequisite: MED CLIN 524. Introduction to the knowledge, skills, and professional attitudes of practitioners of subspecialties of obstetrics and gynecology. H, S, F grading.	1-20
MED CLIN	584	New	--N/A--	Ophthalmology V 2-4 Course Prerequisite: MED CLIN 524. Extension of knowledge, skills, and professional attitudes required for the practice of medicine with a focus on ophthalmologic disorders. H, S, F grading.	1-20
MED CLIN	585	New	--N/A--	Palliative Medicine V 2-4 Course Prerequisite: MED CLIN 524. Introduction to knowledge, skills, and range of problems that practitioners in the area of palliative care encounter. H, S, F grading.	1-20
MED CLIN	587	New	--N/A--	Public Health V 2-4 Course Prerequisite: MED CLIN 524 or by permission of the Associate Dean of Curriculum. Introduction to the knowledge, skills, and range of problems that public health officers encounter. H, S, F grading.	1-20
MED CLIN	588	New	--N/A--	Radiation Oncology V 2-4 Course Prerequisite: MED CLIN 524. Introduction to knowledge, skills, and range of problems encountered by practitioners in the area of radiation oncology. H, S, F grading.	1-20
MED CLIN	589	New	--N/A--	Surgical Residency Prep V 2-4 Course Prerequisite: MED CLIN 524. Deeper knowledge and skills in the area of anatomy in relationship to surgical problems. H, S, F grading.	1-20
MED CLIN	590	New	--N/A--	Medical Education V 2-4 Course Prerequisite: MED CLIN 524 or by permission of the Associate Dean of Curriculum. Theories of learning as applied to medical education; specific areas and objectives formulated by the student and preceptor/mentor. H, S, F grading.	1-20
