	<p>235, 302, 321, 324, 421, 476, 477, COMSTRAT 309, 380, 476. Nine hours of upper-division work must be taken in residence at WSU or through WSU-approved education abroad or educational exchange courses. Students may apply to certify in the minor after they have certified in a major outside the Murrow College of Communication. Students must apply to enroll in select courses. Check with the Murrow College Student Services Office for additional information.</p>	
<p>Electrical Engineering and Computer Science Revise graduation requirements for BA in Computer Science</p>	<p>Footnotes ⁴ Elective credits must <u>should</u> include a minor program. Completion of a minor is a graduation requirement <u>strongly encouraged</u>. If a minor in a science or engineering discipline is contemplated, Math Sequence B should be taken (see note 1).</p>	<p>8-14</p>
<p>Mechanical and Materials Engineering Revise certification requirements for BS in Mechanical Engineering.</p>	<p>Mechanical Engineering(125 Hours)</p> <p>Criteria for Certification – Mechanical Engineering Program</p> <p>1) The School of Mechanical and Materials Engineering will establish the total number of students to be certified into the Mechanical Engineering program.</p> <p>2) Students should apply for certification in the semester after they have completed the following five courses: MATH 171, MATH 172, CHEM 105, PHYSICS 201, and CE 211. Students must have a minimum 2.5 cum gpa and a C or better grade for each of the five courses listed above to be considered for certification. <u>Transfer students who meet the aforementioned minimum requirements may apply during their first semester at WSU, but no decision will be made until the end of the semester when the final grades become available. Note that the actual cutoff grade point based on the ranking (see item 4) is usually higher than 2.5.</u></p> <p>3) Students need to submit an application for certification to the Undergraduate Student Services office, Sloan 205 or electronically to newcoug@mme.wsu.edu. The application deadline is the Monday after finals week in December and May for the fall and the spring semester respectively.</p> <p>4) The applicants will be ranked based on the average gpa of the math, science, and engineering courses completed. For those who are borderline, the semester and cumulative gpa will be considered and used as a reference. In addition to gpa, other factors may also be taken into consideration, such as the number of math, science, and engineering courses taken at WSU. The committee has the authority to weigh these factors in its decision for certification.</p> <p><u>5) The certification is only valid for the current resident campus. Should a student decide to change campus after certification, they will need to reapply for certification for the campus to which they will transfer.</u></p>	<p>8-14</p>

	<p>5 6) Students who are deficient under the University's Educational Policies & Procedures are subject to decertification. The undergraduate studies committee will determine the eligibility and probation conditions for decertified students who will be permitted to apply for recertification.</p> <p>6 7) Any further questions should be addressed to the Student Service Office locate in Sloan 205 or newcoug@mme.wsu.edu.</p>
