11. Complete all requirements within six consecutive academic years.

12. Receive the SEPAC's and Dean's ~~of the ESFCOM~~ recommendations for graduation and receipt of the MD degree.

Students must be in compliance with these conditions throughout the MD program and in order to complete the MD degree:

1. Medical Health Requirements and Immunizations: MD degree candidates must be in compliance with health requirements at all times. Entering medical students must complete certain health-related forms, immunizations, and tests before beginning studies at the ~~ESFCOM~~ College of Medicine and, for some of these, annually thereafter.

2. Data Security and Privacy (HIPAA) Training: MD degree candidates must remain in compliance with the college's ~~Elson S. Floyd College of Medicine's~~ HIPAA training requirement and information security requirements.

3. Demonstrate consistent evidence of professionalism as assessed by COM standards for professionalism outlined in the Student Handbook and all assessment packages, and as reviewed and approved by the SEPAC.

4. Satisfaction of Technical Standards: To graduate, students must meet the requirements set forth in the College of Medicine Technical, Non-Academic Standards. These Technical Standards include: Observation, Communication, Motor, Intellectual (Conceptual, Integrative and Quantitative Abilities), Behavioral/Social, and Task Completion.

Degrees will be conferred once a year on Commencement Day in the spring. Degrees may be conferred if needed due to special circumstances (e.g., illness, Leave of Absence) as per WSU degree conferral regulations. Students completing requirements for a degree prior to their scheduled degree conferral date will be conferred the degree on the official Commencement Day. If special circumstances arise, students, but may request that the SEPAC Committee provides a written confirmation to the Dean that the student has met all graduation requirements.

Note on licensure: Meeting the graduation requirements for the MD degree at Elson S Floyd College of Medicine does not guarantee eligibility for state licensure. Some states have specialized curricular requirements for licensure, and students are advised to check with the Medical Board in states of possible residency for licensure requirements.

These requirements may be changed at any time to ensure that all graduates meet the required qualifications of a practicing physician.

Footnotes

¹ The listed pathway is one example of the sequencing of MEDSCHLR courses for 520 and 540. MEDSCHLR 520 must be completed by the end of the final assessment week of the Longitudinal Integrated Clerkship (Year 3). MED SCHLR 540 must be completed by the end of Fall term of their fourth year (extensions past Winter term require approval). The timing of enrollment in these courses is at the student's discretion.

² The Clinical Rotations must include one course from the series MED CLIN 531-536, and MED CLIN 537, and either MED CLIN 538 or MED CLIN 539, and 24 credits from MED CLIN ~~534-530-~~699. The students have 10 4-week time slots to complete these 36 credits. Students are required to take no fewer than 8 credits of MED CLIN courses in the 4th year, First Term and Second Term and no fewer than 4 credits of MED CLIN courses in 4th year, Third Term.
